APRIL**

Hi All

Please mark this date in your hash calander

After Piss Stop (aka KC) suggested that Brisbane Southside H3 bring back Firer & Ice when we were founded. It has been 10 years since The Fire & Ice Hash hosted the 24th Olympic Berging Championships at Coomra in 2000. We decided. Why Not! So!

- B1S2H3 is proud to re-ignite the Fire & Ice to the Hash Calender.

B1S2H3 will be hosting our **150th Run on the 17-18th April**, incorporating the **25th Berging Championships**.

Hope we can catch up soon. On On

Dear HASHER's of Australia ,

Due to the current financial situation caused by the slowdown of the economy, your Government has decided to implement a scheme to put hashers 50 years of age and older on early retirement. This scheme will be known as RAPE (Retire Aged People Early).

Hashers selected to be RAPED can apply to the government to be eligible for the SHAFT scheme (Special Help After Forced Termination).

Hashers who have been RAPED and SHAFTED will be reviewed under the SCREW program (Scheme Covering Retired Early Workers). A hasher may be RAPED once, SHAFTED twice and SCREWED as many times as the government deems appropriate.

Only Hashers who have been RAPED can get AIDS (Additional Income for Dependents & Spouse) or HERPES (Half Earnings for Retired Personnel Early Severance). Obviously, hashers who have AIDS or HERPES will not be SHAFTED or SCREWED any further by the government..

Hashers who are not RAPED and are staying on, will receive as much **** (Special High Intensity Training) as possible. The government has always prided itself in the amount of shit it gives out. Should You feel that you do not receive enough shit, please bring this to the attention of your local MP. They have been trained to give you all the shit you can handle.

Regards Kevin Rudd P.M
